

Kids Club

September NewsLetter

Welcome Back!

School has started up again and we have hit the ground running! Classes and clubs, activities and homework, let the chaos ensue once more. We are looking forward to seeing familiar faces and meeting new parents and kids this year.

We have a few new faces among the Kids Club Staff this year as well. We would like to give a warm welcome to Ms. Grace, who is our new teacher working in the Green Room, and Mr. Michael, who has joined the Cafeteria! And for those of you who come in the mornings, please give a warm welcome to Iea, our newest addition to our AM team.

In other Staff news, we know that many of you have heard that our director, Marissa, had a beautiful and healthy baby girl on September 7th! We wish Marissa all the best as she embarks on an exciting new chapter in her life. We also look forward to her return to Kids Club in January.

Overall, we are just so excited for the new school year and we look forward to having fun with everyone in the upcoming months!

***Save The Dates**

October 6th –Deadline
to sign up for full day

October 13th – Full
Day Camp

November 11th –
Closed for Veteran's
Day

Blue Room

Hello Everyone!

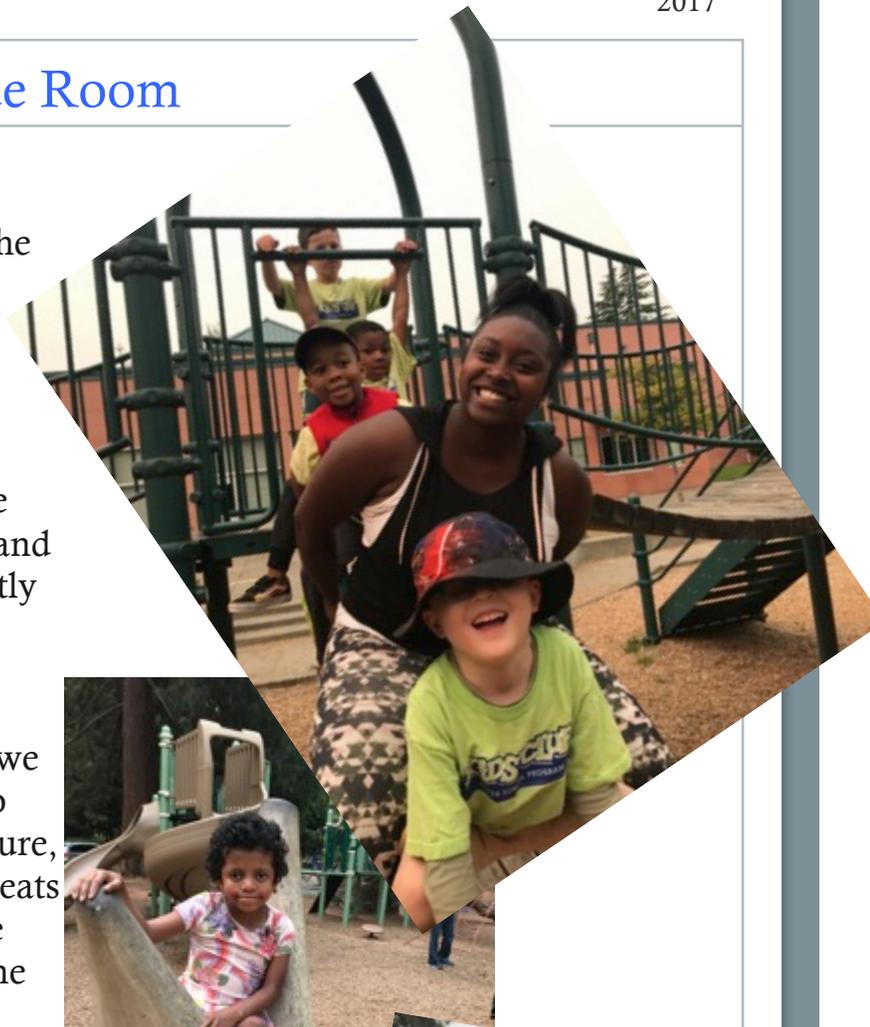

The Blue Room is so excited for the beginning of the school year. We have had a wonderful time getting to know each and every one of our Kindies. So far, we have been settling into a nice routine. All of our kids have made self-portraits, feel free to come in and check them out as they are currently on display in the Blue Room!

We also just got finished with an explosion themed week in which we got to make our very own volcano and watch it erupt. In the near future, we will be baking some yummy treats to sell at our Blue Room bake sale that will go towards a charity of the kids' choice.

We have simply been having a wonderful time getting to know all of your kids and we also love getting to know you all! Please, feel free to come in and chat with us any time.

-Colin &

Kiki

Green Room

New faces and new adventures! We are pleased to welcome back Mr. Nito and Mr. Alex to the Green Room with our new addition, Ms. Grace! She came from a Montessori program and is excited to bring her fun, compassion, and creativity to the Green Room!

First week we started off with our Fear Factor theme where students had the opportunity to eat Bacon and Cheese crickets (seriously!) and drink cat pee a.k.a. unsweetened, decaffeinated Green Tea. We are excited for our Fall activities and enjoying the final days of sunshine! Please, feel free to ask us any questions and give us any updates that pertain to your child, we are here to help!

-Nito, Alex, & Grace

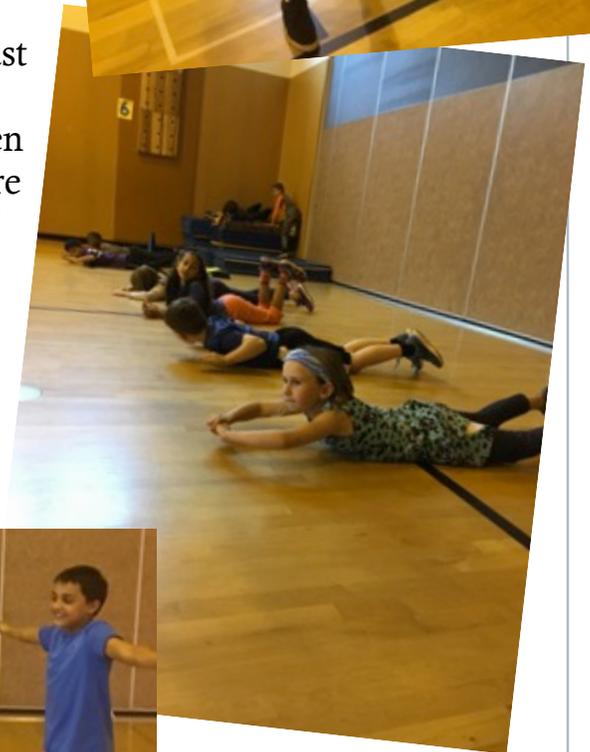

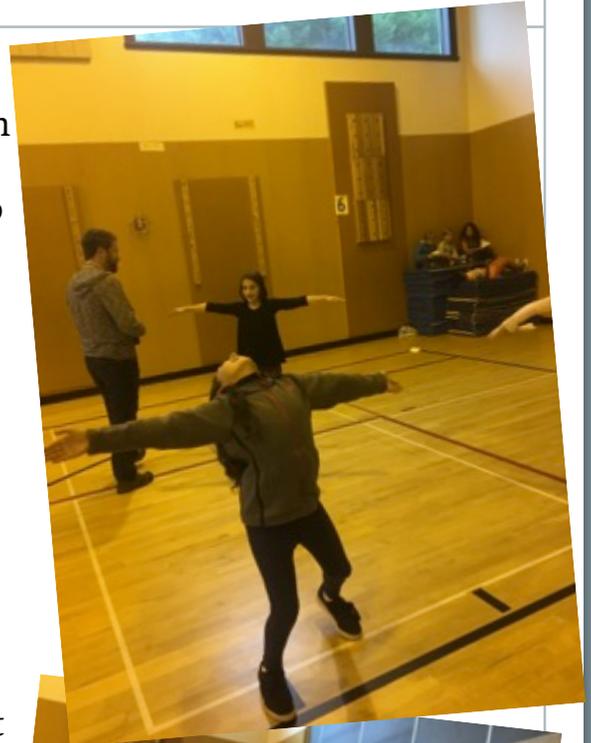

Café

We have been having such a wonderful start to the year in the Café! We kicked off the fun with an Alien Adventures unit where we even recorded a message for the aliens and sent it up to space! We had a lot of fun with all of our alien activities. Last week, we segued into an action packed “challenging” unit. We’ve done everything from plank and superman competitions to paper airplane contests. We even found out who could hold his/her arms out the longest and we were really feeling the burn (congrats on your victory, Renzo!).

We are looking forward to getting lots of other great theme suggestions from the suggestion box as the kids always have the best ideas. Last but not least, we have welcomed a new staff member to our café squad! You may have seen Michael around the past few weeks and we are thrilled that he has decided to join Kids Club! Things are shaping up to be a very fun and exciting year in the cafeteria with the 3rd and 4th graders.

-Bailey, Chris & Michael

Room 102

The fifth graders have their own space! We've moved them to room 102 in the school. There has been some confusion with afternoon pick up. The front doors of Stevens are unlocked until 6pm; if you're picking up before 5:15pm you can use those doors to sign out your kiddo, then make your way over to the Green Room or Cafeteria for easy pickup of younger siblings! After 5:15pm, you can find our sign out sheet in the Green Room.

We have been doing lots of hands on projects so far, like making slime or straw rockets. With our own space, we are really hoping to get the fifth graders thinking and coming up with activities they want to try and explore themselves. We are very excited for what we can create this year!

-Kirsten

Directors Corner

Hello Kids Club Families!

I am so excited to be here for the start of another school year. As many of you know, Marissa will be out on maternity leave for the remainder of 2017. We are all overjoyed for Marissa as she spends time with her baby girl, Mieka. I am also excited about all of the new staff that we have joining us this year.

In other news, Kids Club has expanded! We are thrilled to be able to utilize Room 102 for our fifth graders and it seems that they have enjoyed having their own space over the past few weeks. It has also been a pleasure getting to know many of the new families that have joined us this year. We are ready to have a rocking school year and I am looking forward to all of the fun times ahead of us!

- Katie
