HAPPY NEW YEAR Kids Club Families!

We're starting off with a short newsletter this month in order to ease everyone back into the new year! Reality in mind, we do hope the holiday time treated you with kindness and offered a chance to reflect and celebrate. Kids Club teachers enjoyed both some time off and our time with the kids, swimming, going to the Living Computer Museum, enjoying some festive activities in downtown Seattle, as well as the Lego Robotics Competition and several activities at Kids Club!
